## Information about Membership for the Kennel Club of Anne Arundel

Fees. For 2014 through 2016 the dues are:

Individual	\$20	Junior	\$5
Household	\$35	Associate	\$15

Individual membership. Individual membership is for a single member aged 18 years or older. These members enjoy all club privileges including voting rights and holding an office of the club.

Household (Dual) membership. A household membership is for up to two persons who are both 18 years or older and who live at the same residence. Both members enjoy all club privileges including voting rights and holding an office of the club. Children under the age of 18 must adopt junior memberships. Adult dependents (18 or over) may opt for either the individual or associate membership.

Junior membership. Any person who has not attained 18 years of age (see below\*) may apply for Junior membership and enjoy all club

privileges, except voting rights and holding an office of the club. At age 18, a Junior membership may automatically convert to an individual membership.

Associate membership. This type of membership is the same as that for Individual membership, with the exception that this membership type does not include voting rights and the member may not be an officer of the club. Associate membership is available to non-Anne Arundel County residents and to AAC residents who choose to be inactive.

\*For Junior and Household memberships, age eligibility and fees are based on the member's age on January 1<sup>st</sup> of the following year. For example, if a person is seeking or renewing a Junior membership and they will become 18 years old in February 2015, they will be assessed Junior dues up to the end of 2015. Regular member voting rights automatically start on their 18<sup>th</sup> birthday, even if they are paying Junior dues.
